**No**

3. Have you combined statistics that you received from the local or state police with your institution statistics for this report? If you answer **No** to this question, you will be asked to provide the data you received from the local and state police separately.

**Yes.** Local and/or state law enforcement agencies provided us with statistics that we are combining with statistics collected by our campus security authorities.

**No.** We are not combining the statistics because we cannot determine whether the statistics we obtained from local and/or state law enforcement agencies are for on-campus incidents or public property incidents.

**Not available.** We cannot determine if the statistics we obtained from local and/or state law enforcement agencies are for our Clery geography.

**Not available.** We made a good-faith effort to obtain statistics from local and/or state law enforcement agencies, but the agencies did not comply with our request.
